Re: Support to restore Provincial support for Libraries

Dear Mayor Helps;

Council for the District of Stewart adopted the following motion at the regular meeting of June 10, 2019.

MOVED & SECONDED to write a letter of support to restore Provincial support for Libraries.

CARRIED 181.19

The District of Stewart agrees with the City's resolution stating the importance of Libraries in both large and small communities. Funding from the other levels of government will assist in fulfilling their mandates on improving access to education and social justice issues. Libraries do help build community and a sense of inclusion for all.

Sincerely
