From BCLTA <https://www.bclta.ca/governance-and-relationship-building-influence-and-advocacy-a-framework-for-thinking-it-through/>

1. Securing the future of the public library in the community including new opportunities for the development of services, spaces, and resources
2. Viewing the public library as a key player for emerging community initiatives, for the success of the Official Community Plan (OCP), and as a partner for capital projects and emergency situations.
